

Dear Chairwomen Stacy Groom,

I am writing to formally express my interest in joining the Board of Directors for Tri-County Rural Water Supply District #2. As a resident of Earlsboro, I admire the work of this utility in providing safe, reliable water to our community and would welcome the opportunity to contribute to its future.

My background as a General Contractor, Church Board Member, Business Owner and Nurse has equipped me with the skills to support the board's mission. In my professional career, I have focused on budget oversight, project management, team leadership, strategic planning, obtaining permits, problem-solving, critical thinking, community service and outreach programs. I believe this experience can directly contribute to the ongoing projects and initiatives moving forward.

I am passionate about ensuring the sustainability of our local water resources. I am prepared to dedicate the time required for meetings, engage in constructive policy debates, and represent the best interest of our community.

Thank you for considering me as a candidate to service on the Tri Rural Water Board.

Sincerely,

Elizabeth Saner-Carey
